Searching the internet

The image shows two browser windows side-by-side. The left window is the Icelandic search engine **leitt.is**. The search bar contains the name "Valberg" and the search button is labeled "Leita". Below the search bar, there are filters for "Fleiri möguleikar" (More options) and "Bæta síðu" (Improve page). A sidebar on the left lists various categories like "Tegund", "Tímarsgreinar", "Munur", "Lösmýndir", "Íslensk gagnasöfn", "Starpur", "Gegnr", "Skiemman", "Erlend gagnasöfn", "Scopus (Elsevier)", "Science Citation Index Expanded (Web of Science)", "ProQuest Central", and "Fleiri möguleikar".
