The screenshot shows the Legacy software interface. The window title is "Legacy - [Sample]". The menu bar includes File, Edit, Add, View, Reports, Tools, Search, Internet, Window, Options, and Help. The toolbar contains icons for Back, Frwd, Name List, Marr List, Search, Reports, Merge, To-Do, Internet, Temple, Calendar, Research, and Exit. The main area has a navigation bar with links for Legacy Home, Family, Pedigree, Descendant, Chronology, Index, and Research Guidance. The central display shows a family tree for Nathan Brown (1755-)+ and John Huffman (1775-). Nathan Brown is the husband of Molly Clark (1765-)+, and John Huffman is the husband of Molly Smith (Abt 1776-1812). Below this, the profiles for Asa Clark Brown and Eleanor Huffman are shown. Asa Clark Brown was born on 11 Oct 1792 in Woodstock, Windham, Connecticut, and died on 8 Mar 1866 in Minneapolis, Hennepin, Minnesota. Eleanor Huffman was born on 11 Jan 1803 in Kingston, Frontenac, Ontario, Canada, and died on 3 Jun 1874 in Saint Cloud, Stearns, Minnesota. Below the profiles, a date "8 Mar 1832 - Tionesta, Venango, Pennsylvania" is displayed. At the bottom, a list of children is shown: 1 Joshua Marsden Brown (1833-)+, 2 Samuel Brown (1835-), 3 Reverend William C. Brown (1841-1886)+, 4 John W. Brown (1843-1885)+, and 5 David Clark Brown (1846-1927)+. The status bar at the bottom shows "Click to set as Current, Dbl-Click to Edit Info", "3:51", "H:1", "M:13", "W:34", and "07/10/05".
